Making knowledge accessible to all

Generating, Packaging, and Sharing Knowledge for Positive Transformation

About

Who we are

Vook Voice International is an organization dedicated to generating, packaging, and sharing knowledge for positive transformation among individuals, corporate institutions, and the public sector.

At Vook Voice International, we create opportunities for experts from diverse fields to share their knowledge and insights with individuals and organizations seeking growth, learning, and transformation.

Vision

Knowledge made accessible to all

Mission

To create an inclusive platform that enables experts to share, and consumers to access, well-packaged knowledge and skills.

Team members

Susan kibii

Susan Kibii is a specialist in personal and organizational leadership development, with extensive experience in training, mentoring, coaching, and skills development across corporate, academic, church, and community settings. She is passionate about empowering individuals and organizations to achieve sustainable growth, transformation, and effective leadership.

Susan holds a Master's Degree in Leadership Studies specializing in Organizational Development, a Bachelor's Degree in Journalism, and a Bachelor's Degree in Counselling. She also holds Diplomas in Theology, Professional Journalism, and Community Development, alongside several other professional certifications. She is currently pursuing a PhD in Leadership Studies with a specialization in Corporate Governance.

Over the years, Susan has authored twelve books addressing leadership, personal growth, social transformation, and human empowerment. Her publications include *Loyalty to Routine* and *Woman in Pieces: Restoring the Dignity of Womanhood*, among other impactful works that encourage personal growth, resilience, and purposeful living.

Through her work, Susan continues to inspire and equip individuals, corporate organizations, and communities with practical knowledge, transformational leadership skills, and purpose-driven development strategies.

Jini Kingsley

Moses Osangiende

Moses Osagiende is an Associate Trainer at Vook Voice International and a leadership scholar, educator, and transformational development practitioner with extensive experience in mentoring, coaching, teaching, and organizational leadership across diverse sectors of society. With a strong background in planning and transformational leadership, he is passionate about developing individuals and institutions for sustainable growth and positive impact.

In addition to his training role at Vook Voice International, Moses Osagiende serves as a faculty member in Leadership and Organizational Culture at International Leadership University, where he contributes to leadership development and capacity building through teaching, research, and mentorship. His work is driven by a commitment to empowering people, strengthening organizations, and fostering values-based leadership in Africa and beyond.

He is a graduate of Obafemi Awolowo University, Nigeria, and the International Graduate School of Leadership. Currently, he is pursuing doctoral research focused on leadership adaptability, organizational culture, and government policies affecting younger employees in Kenya's banking sector.
